

# Details of Class offerings:

minimum class size must be met or class will be canceled.

## 8am—12 pm: Make a Cone Puppet with Darlene Allen:

Learn how to make a cone puppet with up/down and turn around movement. Participants will have choice of making an animal or doll puppet with selections on clothing and trims to use as well as cone choices. Skills needed are stuffing the head, sewing to the body and using glue! Hats and other accessories will be available and materials to make your own hat will be available too. Come join the fun. Pics shown of Punch and Judy are just an example. Students only need to bring small scissors, everything else will be provided. **Cost-\$85** Class size: Minimum of 4 –Maximum of 15 students.

If you have any questions, send an email to Darlene at [raspbear\\_bears@hotmail.com](mailto:raspbear_bears@hotmail.com)

## 8am—12 pm: Make a Hedgehog with Shane & Rob Elliott

In this class you will learn how to make an adorable four-inch hedgehog that fits perfectly in the palm of your hand. You will have a choice of four colors to choose from: either **brown, teal/blue, white, or orange** [ Limited Quantities ]. In the class you will cut out and hand-sew the hedgehog. You will learn how to make a polymer-clay nose and attach it as well as inset the eyes, stuff your creation with polyester-stuffing and steel-shot to add weight to it. Students will need to bring a pair of sharp pointed scissors; all other materials will be supplied. All students will leave the class with a finished hedgehog to show off! **Cost-\$75** Class size: Minimum of 5–Maximum of 15 students.

If you have any questions, send an email to Shane at [info@e2bears.com](mailto:info@e2bears.com)

## 1pm—5pm: Make a pincushion w/moveable arms. Anatomy of the pincushion. Adding small practical items to your sales table with Valerie Gladstone.

Learning new techniques expand your skill set. Not all customers can afford larger pieces, giving them an option of buying small practical item gives you a new customer and a sale. The class will cover: What is a pincushion made of? Short history of pincushions. Students will make a pincushion with a polymer head and arms. Students will need to bring. Fabrics/trims, Sculpting tools, Sewing supplies, Polymer clay (any brand). All other supplies will be provided. **Cost-\$70** Class size: Minimum of 4–Maximum of 8 students.

If you have any questions, send an email to Valerie at [info@brooklyndollworks.com](mailto:info@brooklyndollworks.com)

## 1pm—5pm: Expressive Eyes w/Michelle Lamb

If eyes are the windows to the soul, it's our goal to have our bears appear to be looking deep into your soul, eliciting an emotional connection. Because teddy style animals don't have literal eyebrows like humans, it's the shape or outline of the eyes that has to do all the work. This class is about creating depth and realism to your eyes through scissor-sculpting, adding eyelid surrounds and finishing with shading for added depth. There are varying ways that the eyelids, either upper/lower or both can actually give your creation whatever look you are going for, whether calm and gentle or curious and alert or winsome and sweet. Because this is only a half day class you should come with eyes already firmly attached to your animal(s) so we can focus strictly on expressive shaping and eyelids. Bring fine tipped scissors and tweezers and a long thin doll needle as well as smaller fine sewing needle. I will provide a variety of materials such as round and flat elastic cording or leather lacing in various shades to use as eye surrounds as well as fine thread/tacky glue/quilt pins to anchor lids while setting. Option to bring colored markers/blenders, Prismacolor Premier colored pencils, Pan Pastels or Pitt Artist Ink Pens for shading but I will also bring supplies for all to share. As time permits I will demo tips for creating unique glass eyes via painting or backing transparent glass with various materials as well as needle sculpting the smile/grin to tear duct area for added expression. **Cost-\$80** Class size: Minimum of 5–Maximum of 8 students.

If you have any questions, send an email to Michelle at [michelle@oneandonlybears.com](mailto:michelle@oneandonlybears.com)
